THE CHINESE COMING—ANOTHER WARNING TO THE NEGROES.

The Chattanooga *Times* contains the following item of interesting news:

John Chinaman is actually coming here, and the negro will have to retire from the construction of the Alabama and Chattanooga Railroad, having been tried and found wanting. In yesterday's *Times* we alluded to the possibility of such an event, but we had no idea then that Mr. Stanton would act so speedily as he has done. But yesterday morning he received the following dispatch:

SAN FRANCISCO, June 17, 1870.

J. C. Stanton, Sup't A. & C. R. R.:

Can deliver in thirty days at Chattanooga one or two thousand good Chinese laborers for sixty dollars per head. Wages sixteen dollars per month and board; free passage back.

KOOPMANSCHAAP & Co.

To this Mr. Stanton replied:

CHATTANOOGA, June 17, 1870.

Koopmanschaap & Co., San Francisco, Cal.:

We will take fifteen hundred able bodied Chinese laborers at once. We refer to first National Bank of Chattanooga.

J. C. STANTON, Sup't.

So the Chinese are really to come among us, and we shall have an opportunity of seeing how far they are superior to the negroes. It is well known that the Pacific Railroad never could have been built in so short a times but for the employment of large numbers of Chinese laborers; and we think Mr. Stanton has done wisely in engaging them.

While the poor negroes are being deluded by the extreme Radical leaders at Washington and the carpet-baggers amongst us with ideas of perfect political and social equality, not only their security as a laboring class, but their well being and very existence as a race, is becoming every day more and more imperilled. Assuredly, the colored man will find this out in time, but his peril lies in the fact that the discovery may be made too late. The only white man on earth who does not secretly entertain in a personal sense actual repugnance to the negro, is the Southern white man.

This arises from the fact that the Southern white man has been accustomed to his presence and association, in a certain sense, from youth upwards, and that he knows his true value as a laborer in the production of the great Southern staples. We know it is difficult to make the colored man understand in the face of the present state of facts, how he has been made to play a part without any volition of his own in a scheme of party power, and how he has been simply used without any real, substantial regard for himself, or his interests, as a mere means of obtaining selfish results which the Radical white man only could reach by the methods he employed. It is difficult to persuade the colored people that they have been, and are, and will continue to be mere pawns or *automata* in a great and shameful game of ambition conducted by opposing masses of millions of white men on each side, to worn in point of real sentiment they are no more than the cattle in the pastures or the stubble in the fields.—*Montgomery Advertiser.*

A REMARKABLE RELIGIOUS COMMUNITY.

There is a remarkable community living in Iowa, who call themselves the "Christian Brothers." They have a monastery upon one of the highest Mississippi bluffs, approached by a rough and rocky road. They wear the garb which is the identical pattern of that worn by St. Bernard in the sixth century. Not a change has been made during the twelve centuries that have elapsed since the death of that saint. A great deal of time is devoted to religious exercises. From two o'clock in the morning until daylight they repair to the chapel, and devote the balance of the time until daylight to prayer. They are exceedingly abstemious in their food, and observe all the rules of the society rigidly. Some of them have been there twenty, and a few about thirty years. Their religious belief is Roman Catholic, and they are never allowed to marry. Women are never allowed in their places of worship under any circumstances After a certain time they take upon themselves a vow never to speak aloud, and a number have kept that vow for twenty years. Such is the humble seclusion of this community.

There is something in names. A certain old-time English villain, who commanded a brigade of the off scourings of the earth under James II, was named Kirk, and facetiously designated his cutthroats as "Kirk's lambs." Now, in this day and under this blessed reconstruction, which is as full of test oaths, and, if it dared, would be as full of hanging as the reign of the second James, there appears another Kirk, a miscreant once in command of Brownlow's militia, and now about to be appointed to the command of the scoundrels he has raked together as his North Carolina militia. Much apprehension is felt in the Old North State over this revivification of "Kirk's lambs;" but as Tennessee survived the wretch and his master, and has now a State government of her own, North Carolina need not despair.—*N. Y. World.*

WHO WILL BE NEXT PRESIDENT?—The radicals are amusing themselves by selecting the democratic candidate for 1872, and name Chase, Hoffman, Groesbeck, Pendleton and Hancock.—All these are capable and good men, and any one of them will make a far better President than Gen. Grant, who will probably be renominated by the radicals. What the country now needs is a high toned, national, constitutional, far-seeing man, one above tricks, sections, hatreds and prejudices, and for the whole country—a man who can comprehend that the war is over and that we are again of and for one country, and the best interests of the whole people.—*N. Y. Express.*

If you want an entirely unsophisticated family Pill—buy Dr. Diver's Encouraging, Kidney Persuading, Silent Perambulating 27 in a Box. This Pill is as mild as a Pet Lamb and as searching as a fine tooth comb. It don't go fooling about, but attends strictly to business, and as certain as an alarm clock.

The pastry cook at the Pates House, St. Joseph, Mo., who has fallen heir to a fortune, is Charles McLain Gray, and the papers now call him "Mr." Gray.—The property is said to be mostly about Parkersburg, Va., and is valued a $129,000.

A TIMELY WORD TO VOTERS.

The approaching election in this State is one of the highest importance to the welfare of the people. Radical rule in North Carolina has been a continual burden and *reproach*. The corruption, extravagance and villainies of that party have rendered the people poorer than the ravages of war, involved the State in a debt of which there is no hope of *relief* for a quarter of a century to come, defeated the ends of justice and law, kept us in a state of constant turmoil and trouble, prevented all accession to our population from immigration, divided and alienated the blacks and the whites, intensified and protracted partisan rancor and hate, and so blocked up all hope of future progress as to incline the better class of our citizens to desire to leave their "old mother" and seek relief elsewere.

It is the bounden duty of every man in the State, white and black, who feels obliged to remain in North Carolina, who desires peace and harmony and future prosperity, to go to the polls and cast his vote against the Radical nominees.

In this election we are not voting for men, but principles. Every nominee on the Radical ticket is a representative of Radical misrule, corruption and extravagance. No man can, at this juncture, vote for a Radical nominee from personal motives without endorsing the Radical party and the Holden administration as it is and has been; nor can any man refuse to vote for any nominee on the Conservative Democratic ticket, from personal dislike, without ignoring the principles and aims of the Conservative party, and to that extent supporting the Radical party.

We expect to vote for every nominee on our ticket, whether we like the man or not. Indeed, if he were our worst enemy we should, nevertheless, vote our whole ticket, straight out; we are not voting for *men*, but *for principles*. Conservatives and Democrats stultify themselves when they act otherwise, and aid the Radical cause. No ticket can please everybody. We never saw a ticket, embracing many names, that suited us exactly; but we will not prove recreant to our principles by scratching our ticket, or by voting for a Radical nominee. Whoever does so is governed by passion and prejudice, and not by principle.

TILMAN FARROW.

The Conservatives and Democrats of Hyde county, at their recent nominating convention, very properly refused to renominate Tilman Farrow as their candidate for the General Assembly. They nominated a better man, one of superior intelligence and character and of sober habits. This exasperated the old man Farrow, and he denounced the Conservatives and Democrats.

The Radicals have since nominated Farrow for the Senate for that district, and he has become a Radical and accepted the nomination, in opposition to Hon. E. J. Warren, one of the ablest men of the State. At this the *Standard* crows, of course, as it does over every accession to its party from the Democratic ranks. The Conservatives and Democrats can afford to ignore every man who dastardly abandons right principles for the sake of office, and who affiliates with a party whose every act, since it came into power in North Carolina, tends to degrade and bankrupt the State.

Farrow is no loss to the Conservative party, and no gain intrinsically, to the Radical party. During his recent legislative career he was frequently out of his seat, and his intemperance and drunkenness rendered him only a reproach and a mortification to his constituents and to his professed party associates. The people of Hyde have done well to discard Farrow as an unworthy representative, and they owe it to themselves to give him and all renegades a merited rebuke, by the triumphant election of Judge Warren. The colored people in that Senatorial district may well beware of Farrow. He is no friend to them, whatever may be his new professions.

FOR GOV. HOLDEN.

You keep a perjured swindler as President of the Western N. C. Railroad, to handle seven millions (or what is left of it) of the people's money. When you appointed him, you knew he had been presented by Grand Juries in two States, for bribery and swindling.

You appointed Dr. Sloan and A. J. Jones Presidents of Railroads, after you knew they had been implicated in certain discreditable cotton speculations.

You retain Dr. Sloan after he has, on oath, confessed that he received a bribe of $20,000.

Is it honor or gain you are seeking by keeping such men in office?

Under your administration the faith and credit of the State has been dishonored, and the people plundered and robbed.

The stormy tide of popular indignation is fast rising around you, because you raised no hand and uttered no word against the wrong that was being done to the poor, oppressed people of your State.

You cannot save your administration by calling out Kirk *from another State*, with his army to intimidate the people.

When the people of the West want you to send to them your President, Litchfield, with money to pay them for their labor, and their corn and pork, sold to the contractors on their languishing Railroad, you send them Kirk, with an army to awe them into silence and stop their complaining.

The deluge of public opinion will overwhelm you at the ballot box, next August, for these things, and your Phillips and your Kirk can't save it.

If your infamous military policy of calling out a standing army, commanded by such men as Kirk, to stifle the complaining voice of the people at the polls, after they have been oppressed, plundered and robbed, does not meet with prompt and speedy condemnation, then the spirit which always actuates intelligent freemen may be considered as crushed out, and the happiness, prosperity and liberty of the people at an end, and you and Kirk and Grant may "proclaim the empire."

WHO KILLED STEPHENS?

Now, as we have headed this article with a query, would it be not as well to write it out in the shape of interrogation?

1. Did an old colored man from Caswell county come to Raleigh, some time before John W. Stephens was murdered, to see Gov. Holden, and tell him how Stephens was trying to form a coalition with Conservatives to cut Wilson Carey out of a nomination for the Legislature?

2. Did the same old colored man tell the Governor that Stephens was doing the party great harm, and would break it down in that county?

3. Did the Governor tell the old colored man that the Republicans of Caswell *must kill Stephens off?*

4. Did the old colored man go home and repeat the Governor's words to a number of other colored men?

5. Did these colored men misunderstand the Governor's words, and act on them literally?

6. Will anybody *dare* deny that the old colored man in question came to Raleigh and went back and reported to the colored people that the Governor used the expression above?

GEN. LEACH.

We regard the nomination of Gen. J. M. Leach as candidate for Congress in the fifth district, as most appropriate and fortunate. We have no hesitation in saying that he will travel over more ground; make more speeches, and with more force and effect to the people than any other man in the district.

We have heard those who were no personal admirers of Gen. Leach, speak in the most extravagant terms of his triumphant reply to Mr. Phillips at Graham.

We have not seen a man from his district who doubts of his election in August next.

SUPREME COURT.

JUNE 27, 1870.

The following cases were argued to-day to wit:

J. M. Brower, Assignee, vs. S. M. Hughes *et al* Surry County, counsel for Plaintiff, J. M. Clement and for Defendant, Messrs. Phillips, Merrimon and Bragg.

State on relation of W. A. Sullivan, vs. C. F. Lowe and Alfred Hargrove, Davidson County, counsel for Plaintiff, Ralph Gorrell, Esq., and for Defendants, J. M. Clement, Esq.

State on relation of W. A. Myers, vs. C. F. Lowe and Alfred Hargrove, Davidson County, counsel for Plaintiff, Ralph Gorrell, Esq., and for Defendant, J. M. Clement, Esq.

Mathis Weddell, vs. the Ward Gold Mine Co., Davidson County, counsel for Plaintiff, Ralph Gorrell, Esq., and for Defendant, Messrs. Dillard, Ruffin and Gilmer.

The Conservatives of the 3rd District have nominated Col. R. T. Bennett, of Anson for Congress.

Dr. C. T. Murphy, of Sampson, and W. C. Troy, of Cumberland, are the Conservative nominees for the Senate in the 16th District, composed of the counties of Cumberland, Sampson and Harnett.

J. W. Fuller, a white man was arrested in Wilmington on Friday, for endeavoring to swindle certain citizens by passing himself off as a city tax-collector.

The whipping of Andrew Ramseur, in Catawba county, some two weeks since, is now believed to be a made up case, intended for party purposes. Several citizens were arrested upon the affidavit of Ramseur, but upon examination, were discharged, it being evident they had nothing whatever to do with the case. It is thought that Ramseur was lightly whipped by members of his own party, in order to get up a howl about the "Ku Klux," thus aiding the Governor in his efforts to let loose his militia upon our people.

For the Sentinel.

TO THE COLORED VOTERS OF WAKE COUNTY.

For four long years I have been a true Republican; and during that time I have been a firm defender of Governor Holden and his administration. I have been told, advised and pledged to vote the Republican ticket at every election.

But the time has come, my fellow citizens, when every man, white and colored, should act for himself; freely and independently, and to vote for such men as their judgments convince them will make the best officers, and administer the government economically; for such men as will relieve the oppressed tax payer, and who cannot be bribed to pass bad laws and join the "Rings."

You have as much right, my colored fellow citizens, to run for and hold office, as the men who now control the Government.

The white Radicals tell you that you must elect *Union* men to office. Very well; but who *are* the Union men? Are they the men who first cried, "down with the flag! Away with the North!" Are they the men who, when the colored men were set free, first opposed their rights and then whipped round and pretended to be their friends just to get their votes? Is this the sort of Union men you are required to vote for?

Or are the yankee stragglers, adventurers, hummers and peddlers, who come here for nothing but to get office and make money, the right sort of Union men for us to vote for? Are they any better than you are? No!

My friends, I cannot act with the Republican party in the support of such men any longer; and I advise you to stop and think; don't act hastily; don't allow yourselves to be drawn into the support of men who are not qualified for the offices they seek, and thus do a wrong to the State and to yourselves. It is time for us to think and act for ourselves. You are no longer slaves; then come out and be men—*free* men and act and think as such.

I denounce all secret political associations; they have done much harm to the peace and prosperity of the people of the State, and to none more than to the colored people.

The object of this communication is, to state that it is my intention to stump Wake county during the coming campaign, and address my fellow citizens in regard to what I conceive to be their true interests. I shall address my colored friends at such times and places as may be convenient, and I hope they will turn out and hear me.

I fear no man; I am free, and have a right to think and act for myself; and knowing my rights, I dare maintain them, without regard to the dictates of any man or set of men.

RALEIGH, N. C., June 25th, 1870.

Mr. Editor:—I wish a small space in your columns, to call the attention of our people to the necessity of establishing, in this county, a *model farm*, and to have attached thereto a school for the education and practical instruction of our young men in the sciences of farming. I think this is a matter of great interest to our whole people. As farming is done at present, the land is not made to produce, on an average, more than from one sixth to one eighth of a crop, consequently, our people are very poorly repaid for their labor. Establish a model farm and let it be within a few miles of our city, and under the charge of the intelligent and able men constituting the officers and Executive Committee of the State Agricultural Society, that it may be practically illustrated what so small piece of land can be made to produce, when properly manured, let the whole work be done by the young men to be educated there; let *all* work; have no distinction on account of *money*, and you will soon see a great improvement in the mode of farming and in the increase of the produce of our farms.

We will also see a greater desire on the part of our young men, raised in the country to pursue rural life than at present, where the great desire seems to be to get some position in some town, to lead a life of uselessness and to fill an early grave from the close confinement to which they are subjected. I hope some person, better able than myself, will write some articles upon this subject for publication, and urge it upon our people, and urge the President and Executive committee to secure the services of some competent person to read a paper upon this subject at our next State Fair.

Very respectfully, M.

For the Sentinel.

MR. EDITOR:—Section 47 of the city charter enacts, "That within one week after receiving the tax list, that the Mayor shall return the same to the Commissioners, who shall forthwith appoint three respectable *freeholders*, one from each ward, of the city, not of their own body, as assessors, who, *being duly sworn* before the Mayor to do *equal and impartial* justice to all, in the discharge of their duties, shall assess the *real value* of the taxable real estate with its improvements lying within the corporate limits," &c.

Section 45 of the charter enacts, "That in order to raise a fund for the expenses incident to the *proper* government of the city, the Commissioners may annually levy and collect the following taxes, namely, on real estate, situated in the city, a tax *not exceeding one dollar* on every hundred dollars value."

Under this provisions of the charter, the commissioners are authorized to levy and collect a tax *not exceeding* one dollar on every hundred dollars cash value of real estate in the city. A few years since a new charter authorizing the commissioners to levy and collect a tax of *one dollar and a half* on one hundred dollars value of real estate was submitted to a vote of the citizens of Raleigh. It was voted down by a large majority—we wished to confine the power of the commissioners over the property of the city within narrow limits—Now, if under section 47, the power of the assessors is limited only by their discretion, and they choose to assess real estate at double its cash value; how utterly worthless is this limitation in the charter over the rate of taxation. They act under the responsibility of an oath, but who can say they have not acted conscientiously while imposing ruinous burdens upon the people?

TAX PAYERS.

The New Orleans *Times* asserts that some sad news received recently "dropped like a great stone into the well of a world's heart and splashed the water into its eyes."

A English farm laborer was recently wedded in the parish church, and his bride dropped dead in a few minutes after. He was single, married and widowed, within an hour.

And old farmer, whose son had died lately, was visited by a neigbor, who began to condole with him on his loss. "My loss" exclaimed the father; "no such thing. It was his own loss—he was of age."

CONSERVATIVE MEETING IN FRANKLIN.

LOUISBURG, N. C., June 18th, 1870.

The Conservative party of the county of Franklin assembled in Convention to-day. It was called to order by Maj. Daniel S. Hill, who moved that Dr. Ed. A. Crudup be made Chairman, which was done.

On taking the chair, Dr. Crudup explained the object of the meeting to be to nominate candidates for the various county offices, and for the Legislature. Alluded, in a brief but pertinent manner, to the fraud and corruption which has characterized the administration of the present party since its accession to power; and urged upon the people as a whole, to unite in one effort to rid our State of them who would degrade and ruin her, and place in power men of unquestionable integrity.

On motion, Thos. W. Davis and Robt. M. Furman were made Secretaries.

List of townships being called all were found to be represented.

A Committee, consisting of three from each township, was appointed on nominations.

During the retirement of the Committee, the Convention was addressed by Charles M. Cooke, Esq., Maj. B. F. Bullock, Jr., Capt. W. S. Harriss, Capt. Joseph J. Davis and Dr. Ed. A. Crudup, in remarks suitable to the occasion.

The return of the Committee was announced, and through its Chairman, Dr. W. C. Sandford, submitted the following nominations:

For the Senate—Capt. J. J. Davis.
For the House—Chas. M. Cook and Capt. W. S. Harriss.
For Commissioners—B. J. King, W. H. Mitchell, W. Harriss, E. Green, Noelhet White.
For Treasurer—B. P. Clifton.
For Register of Deeds—T. C. Horton.
For Surveyor—W. M. Fuller.
For Coroner—H. J. Baines.
For Sheriff—No nomination.

Messrs Davis, Cooke and Harris accepted the nominations, pledged themselves to a performance of their duty imposed upon them, and assured the Convention that with an undivided support, by the friends of reform and economy in our present government they would burn the banner of Conservatism triumphantly in the coming contest. The remarks of the gentlemen were received with enthusiastic applause, and evidences of determination and encouragement were to be seen throughout the Convention.

On motion, a Central Executive Committee, consisting of one from each Township, and five from the central part of the county was appointed. It consists of the following gentlemen: W. H. Ferguson, Maj. D. S. Hill, Dr. E. Malone, R. F. Yarboro, Thos. White, Junius Ballard, J. B. Littlejohn, Capt. J. S. Joyner, Thos. Blackwell, Col. W. H. Yarboro, W. R. Coppedge, Esq. A. J. P. Harris, Dr. J. C. Fowler, Wm. F. Colvin, J. P. Timberlake.

On motion, Chairman and Secretaries were added to the Committee.

It was further recommended, that each Township proceed at once to its appointment of Township Executive Committee, to consist of five members and to enter at once upon a thorough organization for the campaign.

The Secretaries were directed to furnish report of proceedings to Raleigh SENTINEL for publication.

On motion meeting adjourned.

ED. A. CRUDUP, Ch'm.

THOS. W. DAVIS, ROBT. M. FURMAN, Secretaries.

P. S. As the Convention made no nomination for Sheriff, Joel K. Thomas announced himself as a candidate for that office. Mr. E. A. Gupton, the present incumbent, and Mr. Thomas, are candidates.

RALEIGH FEMALE INSTITUTE.

The "Soiree Musicale," closing the exercises of the eighth term of the above school, which came off on Friday evening last, was not only a complete success but also a brilliant and interesting affair of its kind, and creditable, in the highest degree, to all parties concerned. The evening, though warm, was clear and propitious. It is true that the pale, melancholy moon did not throw over the delightful scene the soft and mystic halo of her love inspiring beams; but myriads of beautiful stars that had been quietly sleeping for many nights behind the clouds that enshrouded the skies, were sweetly twinkling and irradiated with their joyous smiles the fair face of the night-heavens.

The lovely array of sweet and merry little faces, the tastey festoons of evergreens and the fragrant magnolias that decorated the school room, together with the fascinating beauty of the young and accomplished *Mistress of ceremonies*, all conspired to lend an additional zest and charm to the occasion.

Miss Littlejohn, of Oxford, who has charge of the musical department of this school, and who so gracefully and efficiently conducted the Soiree, I am told, is a lady of rare musical attainments and experienced in teaching. She evidently possesses talents of a very high order for instructing, as was abundantly shown by the proficiency of the pupils.

In regard to Miss Kerr, the venerable Dr. Lacy and his amiable and accomplished lady, who mostly manage the other departments of the school, I will simply say that they are "boats within themselves" and need no eulogy at my hands. In short, this is an excellent school and in every way well worthy of public patronage.

The following, was the "Programme" of Exercises for the evening.

1. Piano Duet—Don Pasquale—Misses Bonner and Fendt.
2. Vocal Solo.—I Cannot Sing the Old Songs—Miss Heck.
3. Piano Solo.—Radiant Waltzes—Miss Seawell.
4. Chorus.—The Haunted Stream—Class.
5. Piano Trio.—Prima Donna Waltz—Misses Perry, Bowman and Merrimon.
6. Piano Solo.—Rose Bud Mazurka—Miss Lawrence.
7. Piano Trio.—Home, Sweet Home—Misses Rogers, Phillips and Lambeth.
8. Solo and Chorus.—The Scientific Frog—Misses Merrimon and Class.
9. Piano Solo.—Moses in Egypt—Miss Pritchard.
10. Chorus.—Tell me, ye Winged Winds—Class.
11. Piano Duett.—Grand Etude Galop, (Mazeppa)—Misses Bonner and Lawrence.
12. Chorus.—Away, away, the Morning freshly breaking—Class.

PART II.

1. Piano Duet.—Mozart's Oxen Waltz—Master John Lacy and Miss Littlejohn.
2. Vocal Solo.—Dreaming of Angels—Miss Pritchard.
3. Piano Solo.—Maritana—Miss Heck.
4. Solo and Chorus.—"Now I lay me down to Sleep"—Miss Seawell and Class.
5. Piano Trio.—Bonnie Dundee Quadrille—Misses Smith, Perkinson and Waddill.
6. Vocal Solo.—The Bride—Miss Merrimon.
7. Piano Solo.—L'Ardita—Miss Bonner.
8. Solo and Chorus—Ten Little Injuns—Class.
9. Piano Trio.—Anvil Chorus—Misses Heck, Perry and Pritchard.
10. Vocal Quartete—Hymne de Soir—Misses Perkinson and Seawell, Messrs. Primrose and Heartt.
11. Piano Solo.—Miss Littlejohn.
12. Chorus.—"Joy! Joy! Freedom today"—Class.

Where all did so well, it would seem unfair to make discriminations; but I hope I shall be pardoned for making special mention of the execution of the "Vocal Solo," "The Brook," by Miss Merrymon (ten years old) who exhibited very remarkable powers of song for one so young, and the execution of "Home Sweet Home," by the *baby trio*, "Misses Rogers, Phillips and Lambeth," who did so well they were called back to repeat their piece, and last but not least of the rendition of "Mozart's Oxen Waltz," by Master Johnie Lacy, who evinced great proficiency and who will evidently be a *big professor* of music some of these days.

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in most cases, considerably lower than those of the leading Mutual Cash Companies.

The Excelsior issues Policies on all the plans of *Mutual* or *Stock* Companies, extending to policy holders, all their really desirable advantages. Its policies being *non-forfeiting*, the insured are privileged to *hire and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premium, a cash surrender value of policy, and a privilege which has never been offered by any other Company, that of converting Policies into

ANNUITY BONDS,

after the payment of 5 or more annual premiums.

par tribute to, I have been reserved in the very popular Company which I had the honor to represent to Stock Rates alone, which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies in this State who claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines all the popular features of other Companies, represented in this State, without an exception, and the additional privileges of converting policies, which the holder can not afford to keep up, or wishes to discontinue because of the death of those for whose benefit the policy was secured, there is no *Annuity Bond* which provides an income in cash through life, or for a series of years as proposed. Circulars giving full explanations and any other information, will be cheerfully furnished.

The most liberal arrangements will be made with first class solicitors, to push the Excelsior forward to the Old North State, to that position which our low Rates and most ample security entitle her to occupy.

WANTED.—A No 3, or No. 4, Washington printing press, second handed but in good order. Apply at this office.

SPEAKING AT DURHAMS.

We are requested to announce that Hons. S. H. Rogers and R. B. Gilliam, the Conservative candidates for Congress for this District, will address the citizens of Orange, at Durhams, on Saturday the 16th of July next. Everybody is invited to attend.

Dr. and Mrs. Lacy's School.—Without any ostentatious display, or artificial *blowing*, this school is growing from session to session, and gaining on the favor, and consequently, the patronage of our citizens, as well as upon persons outside the city. We give to day, a sketch, by a correspondent, of the *Soires Musicals* of this school on the close of the Spring session, and cheerfully endorse all our correspondent says of the qualifications of the instructors and proficiency of the pupils.

In another column may be found the announcement of the commencement of the next session.

Pratt's Astral Oil, offered for sale by J. Lewis at his Hardware store, said to be purer, safer and brighter than kerosene. It is slightly higher in price, but this increase is more than balanced by the superiority of the oil as a light making material.

R. Love & Son, have a large lot of raw hides, dry and in good order, for sale.—Address them at Raleigh, N. C.

See the notice to Merchants by Sheriff Lee, requesting them to have their quarterly statements ready by the 1st July.

Extensive Sale.—We call attention of Hotel and Boarding House keepers, house keepers and all others, to the extensive sale of furniture, table ware, all of good quality, to come off at the Yarborough House, commencing on Tuesday, July 5th. An opportunity is here offered that may occur not again soon, for purchasing good and useful house-hold goods.

Religious.—Rev. Wm. H. Bobbitt, Presiding Elder of this district, will preach at the M. E. Church to-morrow (Tuesday) evening at 8½ o'clock.

On Sunday, (yesterday,) there was an addition of ten members to this Church—six by letter, and four by a profession of faith.

The subject of a market house is again agitating Charlotte. Plans have been drawn, &c.

If our proof is not more than *half* read to-day, it may be charged to the fact that the proof reader, owing to a big sty on his eye, can't more than half see how to read.

Man Shot.—We understand that a white man named Walter Jackson, was shot by a negro named Frank Harrison, last night, in the vacinity of the N. C. Depot. They were gambling and Harrison had won over a hundred dollars from Jackson, which gave rise to the difficulty. We have not heard whether the wound was a very dangerous one.

Opening Ball at the Macon House.—It is announced that the Opening Ball for the season, at the Macon House, Morehead City, will come off on Friday, July 1st.—Messrs. Pepper & O'Connor, who have leased this property, have put it in proper condition for the comfort of their summer guests, and have taken the necessary steps to make the opening ceremonies, brilliant and pleasant.

There is not a more pleasant seaside resort, from Cape Cod to Florida, than that of Morehead City and Beaufort, especially the former, so far as natural advantages are concerned, and there are none who will take more pains in making their guests comfortable than Messrs. Pepper & O'Connor, the former of whom has been there several days, fixing things up.

A New Paper.—We have received the first number of a new Radical newspaper, published by Walter Dunn, Esq., at Salem, N. C. Two dollars a year in advance.—The salutatory is unique—uncommon—novel, viz: that "the little barque is launched on the sea of popular favor," &c. We feel glad that that is *Dunn*, and now we shall watch the manœuverings of the vessel among the quicksands of Radicalism, and see what a *riffle* it will make.

Good Whiskey.—C. C. Curtis, of Alamance makes good whiskey—that is, a pure article. He has in his employ, Col. Jerry Holt's old distiller, Curtis, said to be as good as ever smelt a run of "low wines" or tapped a "doubling."

The *Statesville American* says, that the crops in Iredell county are in firstrate condition.

A negro boy was badly bitten while trying to separate two belligerent dogs in Newbern a few days ago.

It is feared that the boy was rabid at the time and that the dog will die of the hydrophobia.

There was a brilliant and successful concert given at Mrs. Ransom's Female Seminary in Wilmington, on Friday evening last.

For the Sentinel.

Mr. Local:—If you should see a fellow trying to light his cigar with a "fighting bug," and "cussin" because the weed wouldn't burn, what would be your natural and rational conclusion?

C.

Ans.—We should conclude that he had been putting too much water in his tumbler and got his cigar damp.

Look out for them.—The following, which we get under a frank from the Treasury Department of the United States, has been sent to all the bankers and brokers on this continent:

United States Notes, series of 1869.

Two thousand notes, of 1th dollars each, from No. H3,530,001*, to No. H3,532,000*, both inclusive, were stolen from the Treasury. No $10 notes, of a number higher than H3,236,000* have been issued.

Please look out for the stolen Notes. A liberal reward will be paid to any person through whose instrumentality the thief may be detected. Hold parties presenting the stolen Notes, (if suspicions attach to them) and in any case of presentation notify

HOLDEN AND KIRK—PROSPECTS IN NORTH CAROLINA.

We have noticed the late course of events in North Carolina with profound interest and uneasiness; for it is manifest to any observer that the reckless man at the head of affairs is determined to perpetuate his power by force of arms. It is difficult to restrain our expressions of indignation at the course which he is pursuing, but we shall endeavor to give a calm and dispassionate statement of affairs in our sister Commonwealth.

The government, executive, judicial and legislative, of North Carolina, is in the hands of the Radicals, and the nature of the administration under which she suffers can be gathered from one single fact, which is more eloquent than pages of ordinary description.

When Holden went into power North Carolina bonds were among the most valuable in the market, but now they are down to 25 cents, with the immediate prospect of a further decline.

The people have determined to shake off the bandits who are robbing them, and have organized for the August election with the determination to sweep Holden and his crew out of office.

But, these evil spirits refuse to be cast out of the body politic, finding not even a herd of swine into which they could enter, and, in order to maintain themselves, have called out the militia which Colonel Kirk, of infamous name, infamous history, and infamous historical associations, is now busy in organizing.

What reason North Carolina has to dread this man, can be understood when we say that he was Brownlow's Lieutenant, and goes upon duty with the assurance, from the Raleigh *Standard*, that "he will deal with the Ku Klux as they have dealt with others," which means that he will exercise his own discretion in robbing the State and murdering Holden's political enemies; for it is this which his organ charges the mythical organization of which it speaks.

That there may be no mistake in the temper of Holden and his satellites, the *Standard*, in its impression of the 23d, in an elaborate article, insists that "there shall be a life for a life. For a blow another blow." This, too, in a State where the courts are open and officered by the creatures of its own party! But, that there may be no misunderstanding the purposes of Holden and Kirk, the paper which we quote continues:

"And we repeat again, that it may be understood once for all, that the national Government has been well advised of this movement. The State is supported and sustained. Muskets, sabres, accoutrements and money are at our command. Experienced military men have offered their services. The campaign has been regularly opened, and the troops will not be aimed at men of straw. There is a duty to be done, which will be accomplished; *and that duty is to punish the guilty and spare not.* Mark what we say. Murderers will meet with their doom; thieves and bummers with their punishment. The men to do these things are now in the field, active, vigilant, brave and determined. They are sustained by State and national authority, and both have commanded peace, *through the execution of the law.* Then let us HAVE peace. It cannot come to us. We must go to it."

We here see that the law, which has never been outraged as pretended, is to be vindicated not by the civil tribunals, but by men now in the field, and the drum-head court-martial will take the place of the constitutional court. It is affirmed, too, that the President approves this plan of action; but, this statement is to be taken with a grain of allowance; for nothing could give a more emphatic contradition to his famous maxim than the course of Holden. We do not care to speculate on the results which must follow this campaign, but we are greatly mistaken in our estimate of the tenacious courage of Carolinians if they allow themselves to be bullied out of their rights by a profligate Governor and his brutal Lieutenant.

TELEGRAPHIC.

Saturday Night Dispatches.

WASHINGTON.

Washington June 25.—Revenue receipts $311,-000

The following nominations were made to-day: Alonzo B Cornell, Assistant Treasurer at New York; A. F. French, Postmaster at Demopolis, Ala.

The Conference Committee on the Currency have been in session all day. No positive result have been reached, though the South and West will have increased the banking facilities to the extent of forty-five millions of three per cent. certificates, and twenty-five millions are to be taken from the East. Gold banks will probably be authorized *ad libitum*.

Mr. Heaton, a member of Congress from North Carolina, is dead.

Four of the seven members of the Senate Select Committee on a subject somewhat involving the San Domingo treaty, made a report to-day, in which they exonerate Gen Babcock. The special agent sent to that Republic by the President, upon the charge of Davis Hatch, an American citizen, that Babcock did not interfere for his release from prison, where he was placed by the Bain government, but rather counselled it because of the fear that he would, if at liberty, oppose the making of a treaty for annexing San Domingo to this country. The Committee declare that there is nothing to show there was anything wrong, or which in the least degree attaints the treaty. They also hold that Hatch joined the revolutionists against the *de facto* government and in the punishment awarded there is no redress, as asked for by this government, because a sojourner in a foreign country is amenable to the laws which he has violated.

The minority of the Committee three members, do not agree with the majority on a single point, holding that Babcock has been indifferent to Hatch, and connived at, if he did not advise his continued imprisonment; that it is a disgrace that no effort was made to protect an American citizen, and they deny the insinuation of the majority, that the investigation on the memorial of Hatch asking for indemnity of the San Domingo Government, was proposed for the purpose of injuring or defeating the treaty. Although, they say, if such has not properly presented no bill of damages, he is entitled to reparation for the injuries suffered from imprisonment.

Now that the reports have been made, the Senate will on Monday resume the consideration of the treaty.

FOREIGN.

Madrid June 25.—Prim opposes amnesty as it would be regarded as a sign of weakness.

London, June 25.—The mercenaries insist upon their objection to the Chinese treaty.

Liverpool, June 25—The steamer "City of Brooklyn," ran down a ship off the coast of Ireland. The ship's crew were saved. The steamer being uninjured proceeded on her journey.

Rome June 25.—The Œcumenical Council will sit until Easter, (thus the dispatch reads, though Easter has come and goes two months ago,) as one hundred of the Fathers desire to speak on infallibity.

Sunday Evening Dispatches.

WASHINGTON.

Washington, June 27.—The House bills were introduced regulating the manufacture of brandy from fruits; establishing a department for revenue; pardoning the collection of illegal taxes from passengers; to issue four per cent. bonds, convertible into legal tenders, and other forms; instructing the Ways and Means Committee to report a bill reducing the salt tariff fifty per cent., by a vote 108 to 99. The funding bill was made special order for to-morrow. The Committee on Conference was ordered on diplomatic appropriations.

The Senate is considering the House revenue bill.

Sherman from the Finance Committee stated that the loss of the income tax would require the continuance of the existing tariff on sugar and the tax on gross receipts.

The Great Family Medicine of the Age.

THIRTY YEARS

Have elapsed since the introduction of the Pain Killer to the public, and yet at the present time it is more popular and commands a larger sale than ever before. Its popularity is not confined to this country alone; all over the world its beneficial effects in curing the "ills that flesh is heir to," are acknowledged and appreciated, and as a PAIN KILLER its fame is limited to no country, sect nor race. It needs only to be known to be prized.

Thirty Years is certainly a long enough time to prove the efficacy of any medicine, and that the PAIN KILLER is deserving of all its proprietors claim for it, is amply proved by the unparalleled popularity it has attained. It is a sure and effective remedy. Sold by all Druggists.

Prices 25 cts, 50 cts, and $1.00 per Bottle.

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1865 it was the 9th Company in new business for the year; in 1867 it was the 6th; in 1868 and 1869, the 7th; in 1864 and 1865 the 5th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AN. THIRTY SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

Phalon's "Vitalia" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

Phalon's Vitalia

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

The Vitalia is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

SWEET QUININE

CURE

For all Diseases of Malarious Origin.

Fever and Ague,
Intermittent Fever,
Chill Fever,
Remittent Fever,
Bilious Fever,
Dumb Ague,

and the long train of disorders following these when neglected.

SWEET QUININE

is made solely from Peruvian Bark (as is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the elements found in the blood of all healthy persons.

SWEET QUININE

acts as an antidote to, as well as a cure for, malarial or miasmatic poison, the absorption of which by the lungs causes Intermittent Fevers, etc. The only advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that intense, persistent bitterness, which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

is in two forms—in POWDER, for the use of Physicians and Druggists, and PILLS, for use in the family and for the general public.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

No more Smoke!—No more Grease!

No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and unirritating to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Ilsley & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

ROCKBRIDGE ALUM SPRINGS, VA.

Open May 15th, 1870.

THIS FAVORITE AND CELEBRATED Watering Place is now in complete order for the reception of guests. Important improvements have been added to the buildings since the stablishment passed into the hands of the present proprietor, and it is his purpose to keep it in a style not surpassed anywhere in Virginia. The waters of these special springs either cure or greatly relieve most cases of Scrofula, Incipient Consumption, Chronic Bronchitis, Chronic Laryngitis, Chronic Pneumonia, Chronic Dyspepsia, Chronic Diarrhœa, Jaundice. They are also a great value in those affections which are peculiar to the female constitution, and as an appetizer, a tonic and general restorative, they are, perhaps, unrivalled amongst mineral waters. The proprietor will have provided for the lawns and ballroom a first-class band of music, and in general all the sources of amusement and recreation usually found at our best summer resorts will be at the command of the guests at "ROCKBRIDGE ALUM." The place is within eleven to thirteen hours of Richmond, Washington, Baltimore, &c., by rail, in daylight. Passengers leave the cars of the Chesapeake and Ohio Railroad at Goshen Depot, and new and elegant stage coaches, passing rapidly over a smooth and level road of only eight miles, set down the visitors at the Springs to tea.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks*,—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve* and accumulation must be held by the Companies to meet all their liabilities.

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiture feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
